Portégé R30 Series

Ultra-Thin & Ultra-Light
Get unparalleled performance and mobility in an unbelievably thin and light package. The Portégé R30 has a wealth of power, speed and features to help perform challenging work tasks—all in a 1.12-inch thin, durable body and just over 3 pounds.

Built for Business
This laptop is packed with features to help keep business moving anywhere, anytime. A 4th Generation Intel® Core™ processor, built-in optical drive, plenty of essential ports and common docking for all Portégé and Tecra laptops enhance on-the-go convenience. A premium magnesium alloy chassis, shock-absorbing design and a unique honeycomb reinforcement structure provide increased rigidity and durability.

Security & Peace of Mind
Toshiba EasyGuard® Technology helps keep the Portégé R30 secure, protected, connected and optimized. A full suite of safeguard features helps keep your laptop shielded, constantly mobile and your data secure, giving you the time and peace of mind to focus on running your business.

Stylish & Sustainable
The lightweight, sleek and durable Portégé R30 doesn't just look good. It's good for the environment too. It is EPEAT Gold Certified and designed to be greener, cleaner and more sustainable. So while you're growing your business you can feel better about the fact that you are minimizing your environmental footprint at the same time.
