Satellite Pro L50 New Series COMPLETE PROFESSIONAL

The Satellite Pro L50-A is a complete professional. Richly featured, highly reliable and packed with flexible options, it delivers great value from day one. There's plenty of power in and around this quality business laptop, from Intel® processors to full connectivity options. Yet the L50-A is beautifully thin and light enough to carry with ease. So you get the best of everything. A reliable work centre with all the advanced multimedia features to meet your everyday demands. And the flexibility of a laptop from a brand that's known for its business quality. Even down to the smallest details, like the non-reflective screen and large multi-touch clickpad, the 39.6 cm (15.6") Satellite Pro L50-A is professional through and through.
