Tecra R940 Series
Quality and performance. On the move.

The Tecra R940 is a slim, mobile, and powerful machine perfect for business. 3rd generation Intel® Core™ processors provide powerful performance, while smart cooling technology keeps your laptop cool so the processors deliver all the power you need. A solid chassis combined with internal honeycomb structure and a 3D impact sensor protects valuable data on your HDD. The 35.6cm (14'') non-reflective HD display provides clarity, and a durable battery provides all-day flexibility.
