

PORTÉGÉ Z930 Series

Master of mobility – Breakthrough Performance

The Portégé® Z930 series sets a new standard for mobility with its razor-thin design, ultra-responsive performance and superior craftsmanship. It's the perfect choice for executives and leaders who want to push the limits of style and convenience without compromising on quality.

It is a productivity powerhouse featuring a 3rd Generation Intel® Core™ processor. When every second counts, the Portégé® Z930 also saves you valuable time, thanks to its quality components and lightning-fast solid-state drive.

Featherweight Design, Fast Connections and Flexibility, and Great for Business.
